

Multi-State Collaborative to Advance Quality Student Learning (MSC) Consortium at the VALUE Institute

Overview

The SHEEO MSC Consortium of the VALUE Institute is a voluntary effort and there is no additional cost to participate. (The VALUE Institute has its own fee structure.)

The MSC is a proven model based on five years of development and refinement, resulting in valid assessment of authentic student work and reliable scoring methods for program evaluation and assessment.

As a participating member of the SHEEO MSC consortium, you will have all the benefits offered through the VALUE Institute, in addition to:

- Aggregate state-level and project-level reporting of student learning outcomes
- More opportunity to network and engage with faculty within and beyond your institution
- Enhanced ability to inform state policy discussion related to quality student learning, equity, and assessment
- Assistance with project coordination with your MSC state lead
- Access to a comparison pool of authentic student work, at institution and state levels
- State representation and input during continuous improvement discussions

Requirements to join

- Public institutions of higher education data to be disaggregated by institutional type (two-year and four-year)
- VALUE Institute registration fee (<https://www.aacu.org/VALUEInstitute>)
